All is Possible with My Panel!

1. [Login to your My Panel account](#) or [create your account](#) to get started!

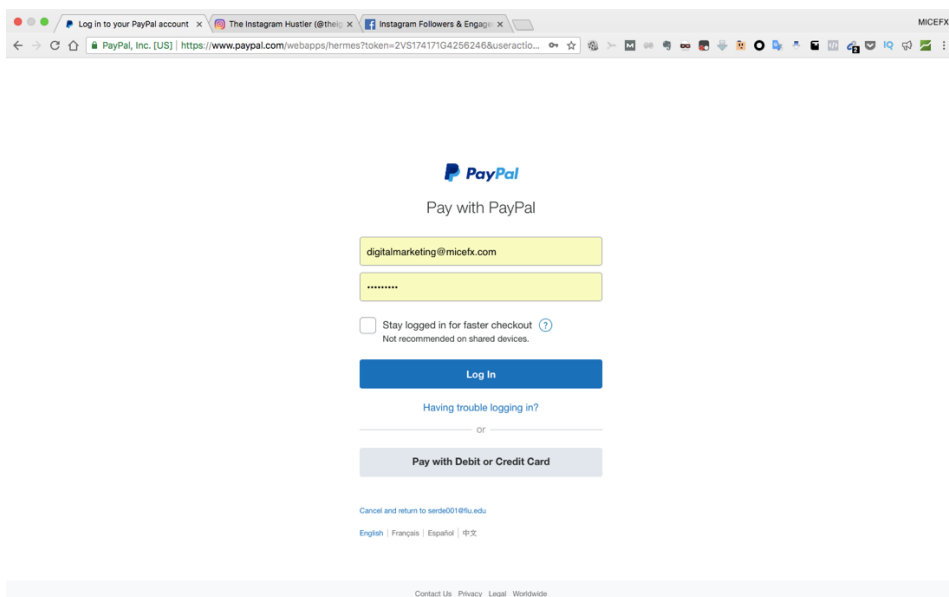

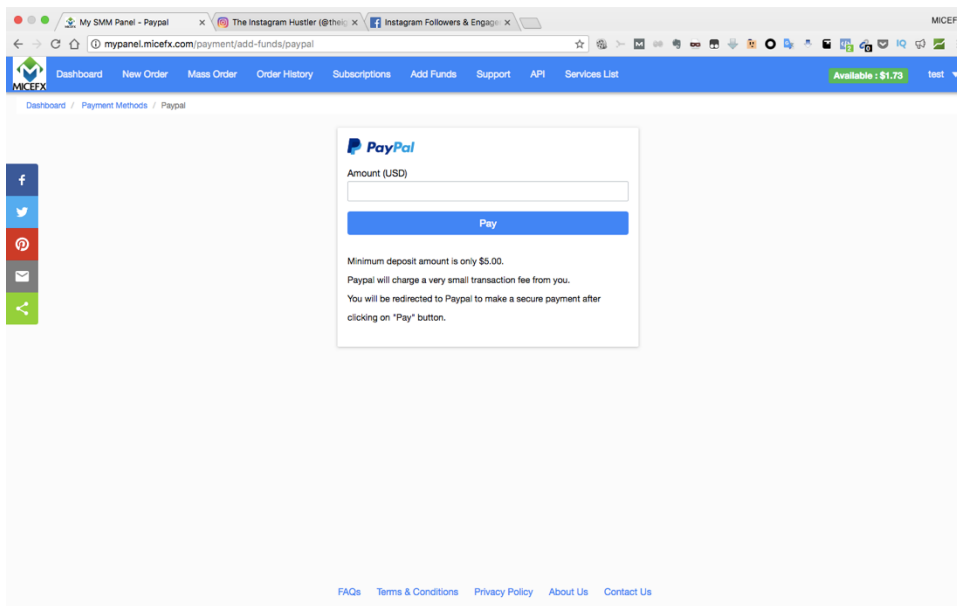

2. [Add credits/funds to your account balance](#) via Paypal so that you can make orders according to your social media needs.

The minimum deposit amount is only \$5.00.

You can [visit this page to learn about our latest and](#)

best rates.

3. After adding credits to your account balance, you'll be automatically redirected to the [New Order page](#).

4. On this page, you need to select the service and package to begin with.

The screenshot shows a web browser window with the URL `mypanel.micefx.com/order/new`. The page features a blue navigation bar with the MICEFX logo and menu items: Dashboard, New Order, Mass Order, Order History, Subscriptions, Add Funds, Support, API, and Services List. A green badge in the top right corner indicates 'Available : \$1.70' and a 'test' dropdown. On the left side, there is a vertical sidebar with social media icons for Facebook, Twitter, Pinterest, Email, and a back arrow. The main content area is titled 'New Order' and contains the following fields and text:

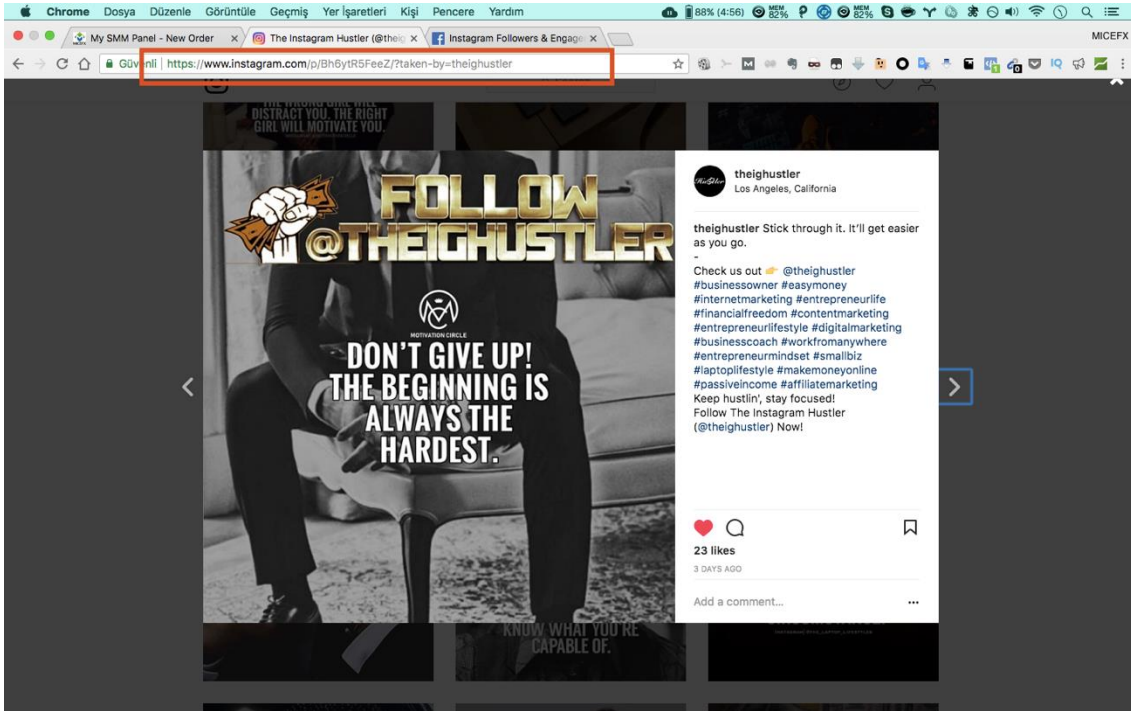

- Service:** A dropdown menu with 'Instagram' selected.
- Package:** A dropdown menu with 'Worldwide Likes -- \$1.98' selected.
- Package Description:** A text area containing:
 - Attract Likes To Your Photos from Instagrammers Worldwide.
 - >>> Always Working :-)
 - >>> Instant Delivery!
 - >>> Minimum Order Quantity: 50
 - >>> Link is Your Instagram Post URL/Link That Will Receive the Likes.
 - (Example Correct Format:
`https://www.instagram.com/p/Bf8kJPfnHgZ`)
- Target Link/URL:** An empty text input field.
- Desired Order Quantity:** A text input field with '0' entered.
- Quantity Limits:** A small box showing 'Min. Order Quantity : 50' and 'Max. Order Quantity : 10000'.
- Price Total:** '\$0'.
- Place Order:** A blue button.

Below the form, the text 'Our Offers & Benefits:' is partially visible.

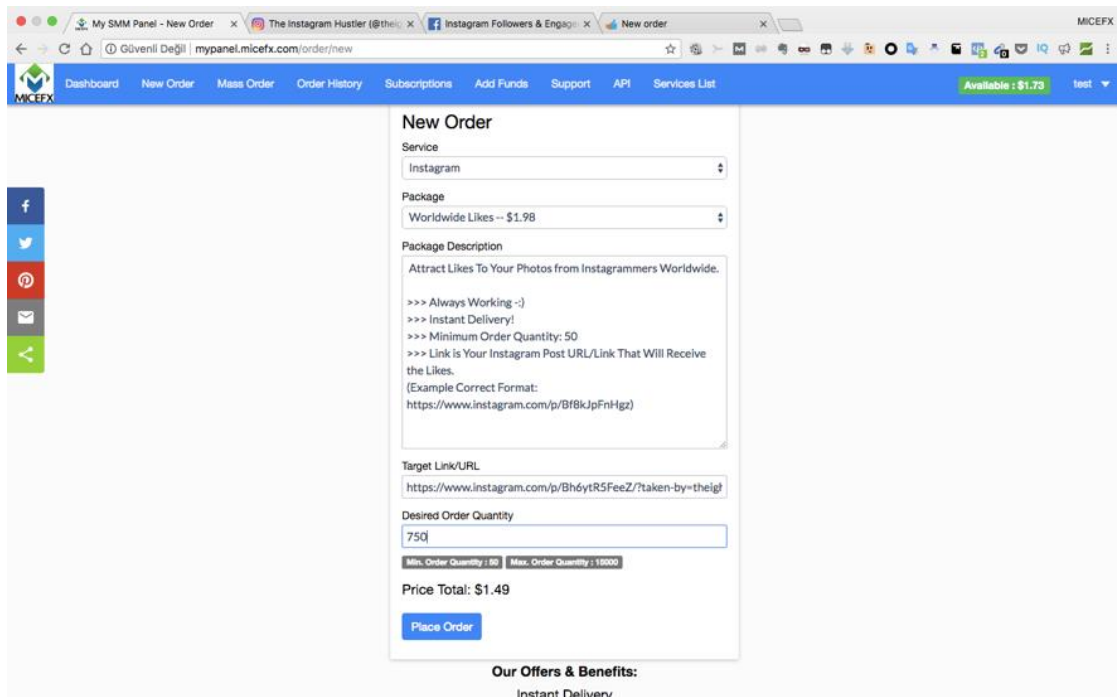

After deciding on the service and package, you need to provide the following parameters/options:

- **Target Link (URL)**
- **Desired Order Quantity**

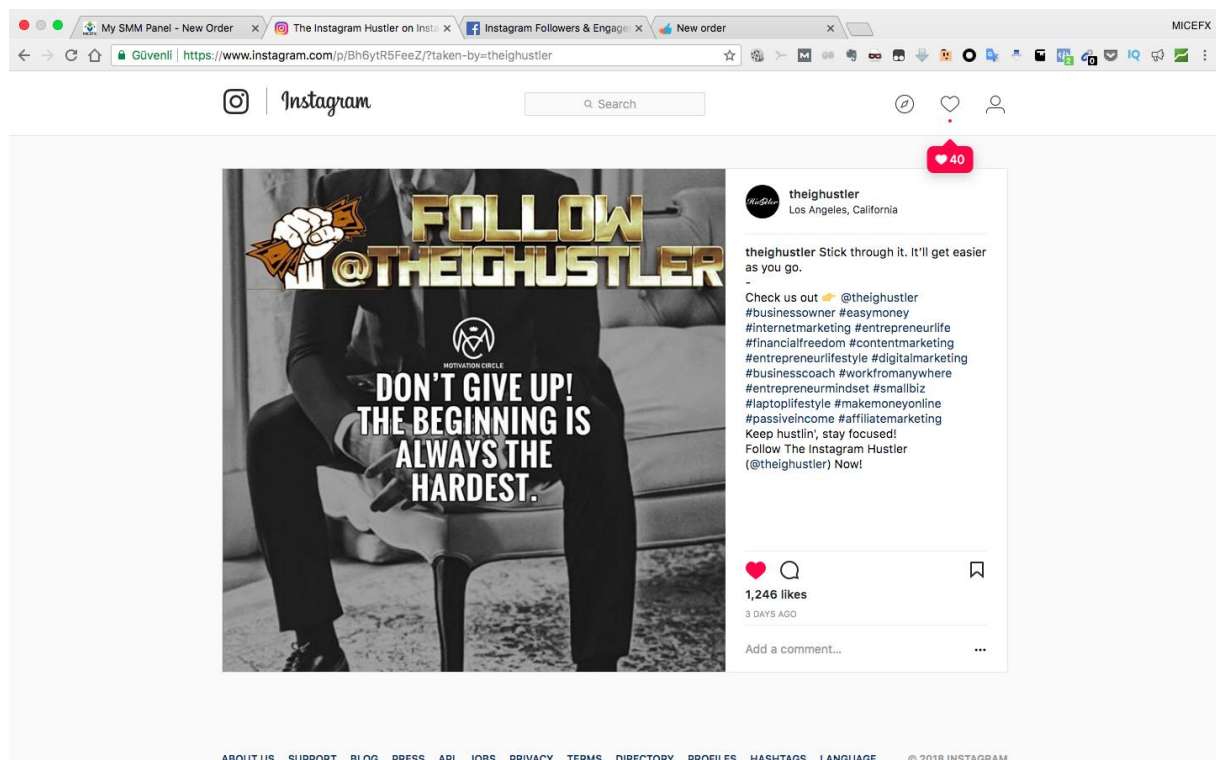

For instance, if you want to attract 750 likes to your latest post on Instagram, then you need to provide your photo or video link in the “Target Link (URL)” field.

In this example, I'll be attracting **750** likes to one of my great photos (quotes) on IG:

Finally, click on **“Place Order”** and watch the magic happens in a few minutes...

If you want to attract followers to your Instagram, you need to provide your Instagram profile link. The correct format is: <https://www.instagram.com/myusername>
